

Murphys Irish Days Parade

Saturday - March 17, 2012

Where: Murphys Parade Assembly Area
-Black Bart Playhouse parking lot
(near Murphys town park)

Time: Parade and Berner participants assemble between 9:00-09:30 a.m.

Parade starts at 11:00 a.m.

Come join us for a fun St. Patrick's Day theme parade. The parade route is short and long on fun interacting with an enthusiastic audience. **Green is the color**, 2-legged participants wear a green shirt or T-shirt and decorating your 4-legged friend's collar or draft cart with green shamrocks and the like is most welcome. Also we need two volunteers to carry the Sierra West parade banner, let Bill know if you or someone in your party can do this.

After the parade, we join for a group picture and then all are welcome to Albano Munari Winery for provided brats and refreshments, Berners welcome of course. If you want to bring an appetizer, dessert, or salad that would be great. Bring an x-pen or crate as a precaution if you like. We look forward to having veterans rejoin us again as well as new people are welcome too.
